Re: National Automatic Sprinkler Industry Trust Funds | Reporting and Remittance Procedures

To All Participating Sprinkler Contractors:

The National Automatic Sprinkler Industry (NASI) Trust Funds have received questions about services offered by LaborAid. Contractors are required to remit contributions to the NASI Trust Funds in accordance with their collective bargaining agreement and the Funds' Guidelines for Participation. Generally, this requires contractors to report and pay contributions through the NASI Trust Funds' online portal (NASI EmployerXG), by mail, or by submitting an electronic file with separate payment, by the fifteenth (15th) of the calendar month following the month in which work was performed. If a contractor so chooses, it is free to use the service of LaborAid, or any other service provider, to assist the contractor in complying with its remittance obligations. However, the contractor is ultimately responsible for ensuring satisfaction of its remittance obligations.

Should you have any questions, please connect with your Remittance department contact at the Fund Office.

Sincerely,

Anna E. Bosmans, Administrator

On Behalf of the Boards of Trustees of the NASI Trust Funds
