Please read this SMM carefully and keep it with the copy of the Fund's Summary Plan Description ("SPD") that was previously provided to you. NEW CHILD CARE SERVICE BENEFIT

Effective January 1, 2022, the Plan offers you, the participants, a new Child Care Service Benefit to assist you and your families. If you pay the cost of child care services for a Qualifying Dependent that is up to or below the age of twelve (12), you may apply for this benefit.

A Qualifying Dependent means a person who satisfies the eligibility requirements of the Steamfitters' Industry Welfare Fund.

Your application must include the following documentation:

- (1) an original letter from a certified child care service provider that includes (a) the name of the child(ren), the amount that was paid for the service, (b) a description of the services provided, and (c) the time period the services were provided. The letter must be signed by an official or officer of the certified child care service provider and printed such provider's official letterhead; and
- (2) A copy of the redacted credit card statement or copy of the canceled check.

A certified child care service provider may include a day care center, after school program, nursery school, pre-school, special needs program, child day camp, child sleepaway camp, or other certified child care service that provides supervision and care of a child.

Just like every other benefit offered under the Plan, the Board of Trustees reserve the right to request additional documentation or evidence to determine whether you are entitled to this benefit.
