2019 Out-of-Pocket Maximums

The Patient Protection and Affordable Care Act requires that health plans must accumulate member and dependent out-of-pocket (OOP) expenses each year. If your OOP expenses exceed the individual or family limits listed below, your future co-payments for the benefit type you exceed will be waived for the balance of that calendar year. Please note that only co-payments for our hospital, medical and prescription drug coverage are considered OOP expenses for the purpose of our OOP maximums.

The annual OOP maximums for the Welfare Fund starting January 1, 2019 are as follows:

- Empire BlueCross (hospital and medical) Individual: \$4,600 Family: \$9,200
- Express Scripts (prescription drugs) Individual: \$3,300 Family: \$6,600

2019 National Formulary Update

The Express Scripts National Formulary has a few minor additions to its list of excluded drugs or supplies effective January 1, 2019. The very few number of participants or dependents that were effected were notified in November and a choice of replacement products were provided to them and their physicians.

Pharmacy Vaccination Program

Today it is easier than ever to stay healthy. Many diseases are preventable through the use of vaccinations. To help you and your family members stay healthy, you can receive vaccines which are conveniently administered at your local retail pharmacy with **no copay** through the Welfare Fund's prescription drug benefit with Express Scripts. Vaccines administered at your retail pharmacy typically do not require an appointment and are the same effective medications as your physician's office. These vaccines include: Anthrax, Flu (influenza), Childhood vaccines (Chicken Pox, Measles, Mumps, Rotavirus and Rubella), Cholera, Hepatitis, Human Papillomavirus (HPV), Meningitis, Pneumonia, Polio, Shingles/zoster, Tuberculosis, Tetanus/Diphtheria/Pertussis, and Travel vaccines (rabies, typhoid, yellow fever, etc.).

Before You Visit the Pharmacy... Make sure the pharmacy you use is part of your Express Scripts participating pharmacy network. If you're not sure, use the *Locate a Pharmacy* feature (at [express-scripts.com](https://www.express-scripts.com) under *Prescriptions*) to find out. Be sure to call the pharmacy to verify their current vaccination schedule, vaccine availability, and any age restrictions or prescription requirements.

When You Get to the Pharmacy... Be sure to present your prescription member ID card at the time of service. Be sure to **get your vaccine from the pharmacist at the pharmacy, not from the clinic** as some of the pharmacies may have an on-site clinic that offers vaccines. Call the Welfare Fund at (212) 465-8888 option 4 if you have any questions regarding the program.

If you have any questions regarding the 2018 Out-of-Pocket Maximums, 2018 Formulary Update, or the Pharmacy Vaccination Program please contact the Fund Office at (212) 465-8888 option 4 on the main menu.

Pensioners Monthly Annuity Recipients

Withholding Certificate for Pension or Annuity Payments

As you may recall, upon retirement, you were given the option to have federal income tax withheld from your benefit payments. Withholding is one way for you to pay a portion of your income tax. Whether you are required to pay federal income tax on your benefit payments depends on your personal situation. Please be aware, as a consequence of not having enough tax or no tax withheld from your benefits, you may be required to pay estimated taxes during the year or a tax penalty at the end of the year. Your decision on withholding is an important one and you may wish to discuss it with a qualified tax advisor.

You may change your tax election at any time. The change to your tax election would be placed into effect on the first of the month following receipt of your completed W-4P form.

In order to change your tax election you are required to complete and return IRS Form W-4P to the Fund Office. The IRS has created a page on www.irs.gov for information about Form W-4P and its instructions, at www.irs.gov/w4p. To obtain a form you may also contact the Fund Office at (212) 465-8888, choose menu option 3 for the pension department or visit the IRS website at www.irs.gov/pub/irs-pdf/fw4p.pdf.
