UA Local 342 Scholarship Program

UA LOCAL 342 SCHOLARSHIP MISSION STATEMENT

UA Local 342 Scholarship Program

HOW WILL THE APPLICATION BE SCORED?

Grades, test scores, and letters of recommendation	10%
Essay/Sponsor Input	30%
Character Evaluation	10%
Achievements/Accomplishments	15%
Career Goals	10%
Following Directions	25%

10% - Grades, Test Scores & Letters of Recommendation

Please include your college admission test scores (e.g. SAT, SAT IIs or ACTs, etc.), if applicable. Failure to have taken these tests will not necessarily affect the outcome of this application.

Two (2) sealed letters of recommendation are mandatory. At least one of these letters must be from a teacher or a person in a position to evaluate your academic performance and ability. These all help the judges in learning more about your current character.

Do not use letters of recommendation that have already been submitted for the purpose of this scholarship in previous years or letters more than one year old.

The inclusion of any supporting information that amplifies your character can only assist the judges in determining which of the applicants are most worthy of a scholarship.

30% - Essay

Applicants must submit a short essay that should be 1 to 3 pages long and must not exceed 750 words in length. The judges would like to emphasize the need to keep the essays brief and to the point. Refrain from using your name and/or your sponsor's name in your essay. Modifying the essay topic will work against an applicant.

- The topic for this year's essay is: **"Political Relationships"** Does building relationships with local, state, and federal politicians benefit the membership and future of Local Union 342? Write an essay to explain your response.

The judges cannot stress with enough emphasis the importance of this essay. The judges strongly suggest that you avoid using previous essays and history books, and research this year's topic by using the most knowledgeable source at your disposal - **Your Sponsor**. The real value of this essay is that it will help both you, the applicant, and your sponsor develop a greater **appreciation** for what it took to get you where you are today, and also to make your sponsor think about (and pass on) his or her appreciation of what being a **UNION MEMBER** really means.

UA Local 342 Scholarship Program

15% - Achievements and Accomplishments

Add a list of any and all of your achievements and accomplishments (certificates and awards, including military service). Your achievements from many years ago may be of interest, however, more current testimonials will educate the judges about any attributes the applicant may currently possess.

10% - Character

Add a list of your extracurricular activities such as sports, cheerleading, and volunteer work. Does the applicant make an attempt to give something back to the community? (e.g. working in an AIDS hospice, summer internships, scouting, tutoring, community activism, school politics, church, etc.)

10% - Career Goals

What are your goals in life? Where do you see yourself in 10 years, in 15 years, **and** in 20 years? What do you think you will be doing? Where do you think you will be? Please include a short paragraph explaining these future endeavors.

25% - Following Directions

Did you follow the directions provided within this application packet? Did you provide all the requested documentation?

IMPORTANT NOTICE

When adding supporting documents, extra pages, your essay, letters, and explanations to this application, include your name at the top right of each page.

Note: Your name will be redacted on all documentation by Local 342 office staff prior to judging.
