## IMPORTANT

It is suggested that you submit your Application **60 days** prior to your anticipated Date of Retirement.

If you have a change in life circumstance (e.g. marriage, divorce, separation) prior to completion of the retirement process, you must notify the Trust Fund Office and you may be required to complete and submit new Forms and/or documents.

Your Date of Retirement can be no earlier than the first day of the month following the date your fully completed Retirement Application is received at the Trust Fund Office, or you terminate employment in the Pipe Trades Industry, whichever is later.

Incorrect or incomplete information and/or missing Plan required documents will delay processing of your Application. While you may submit your Application prior to obtaining all Plan required documents, your Application will not be processed until all Plan required documents are received by the Trust Fund Office.

If any discrepancies are noted or further questions arise, additional documents may be required.

**SIGNATURE AND DATE**

I have read the preceding instructions for this Retirement Application and to the best of my ability complied with the Plan's requests and requirements. I agree to be bound by all Plan rules and regulations. I understand that I must notify the Trust Fund Office of any change in my personal information, including any marital or employment status change.

**I understand that the Trustees have the right to recover any payments (and costs and attorney's fees incurred by the Plan) because of any false or misleading statements. I understand that if the Plan mistakenly makes an overpayment in the future, the Plan has the right to offset that against future payments and/or to recover such overpayments including attorney's fees incurred by the Plan.**

I understand that if I receive a retroactive Retirement Benefit for any period that I have received Supplemental Disability payments from UA Local 342, I will be required to reimburse the Supplemental Disability Fund.

The Plan may postpone processing a Retirement Application of a Participant, Beneficiary or Alternate Payee, and/or paying monthly Retirement Benefits to any such person who owes money to this Plan or to a related Plan, including the Northern California Pipe Trades Health and Welfare Plan and/or the Northern California Pipe Trades Supplemental 401(k) Retirement Plan.

In addition, the Trust Fund Office has the authority to deduct amounts from the monthly Retirement Benefits payable to a Participant, Beneficiary or Alternate Payee (or any lump sum or other death benefit that may be payable to any such person) to repay this Plan or any related Plan as referenced above for any amounts owed by the Participant, Beneficiary or Alternate Payee (and/or the Participant's improperly-designated Dependent). Such amount may be twenty five percent (25%) of a person's monthly Retirement Benefit, any amount established by the Board of Trustees (such as \$250.00 or any other designated amount, even if greater than 25%).

The Trust Fund Office also has the authority to deduct amounts from the monthly Retirement Benefits payable to a Participant, for any Federal Tax Levies or Child Support Orders received for any amounts owed by the Participant, in the amount designated by the Internal Revenue Service or the Department of Child Support Services.

**I am aware that if I return to work in any capacity after I retire, I am required to provide written notice in advance of doing so to the Trust Fund Office for review and approval by the Board of Trustees. I understand that failure to do so may result in a suspension of my Retirement Benefits.**

**I certify under penalty of perjury under the laws of the State of California that the foregoing is true and correct.**
