

13th ANNUAL

BIKES FOR TIKES BIKE BUILD

December 2nd 2022 Three Rivers Convention Center

Join Local 598 and over 900 community volunteers at this year's Bikes Build event. This signature event has grown beyond our imagination. The work of hundreds of community members results in thousands of local families, non-profits, schools, and libraries receiving bikes and a helmet during the holiday season. Our bikes in many ways help bring a smile to a child's face. They provide opportunity for children to create positive and healthy memories while being active. Thank you for joining us.
